Sir :

In accordance with 37 C.F.R. 1.76(c)(2), Applicant submits herewith a Supplemental Application Data Sheet in which only the information to be changed is identified, i.e., the Priority Information. However, to assist Patent and Trademark Office personnel and to ensure that this SADS is associated with the appropriate file, the following fields are also completed: Application number and filing date; the Attorney docket number; and the Customer number.

Applicant notes that the SADS attached hereto correctly identifies the Foreign Priority Date of Korean Application No. 10-2004-0016965 as ---**March 12, 2004**---, instead of March 123, 2004 which incorrectly appears on the Application Data Sheet (but was correctly identified on the Claim of Priority).

Accordingly, Applicant requests entry of the attached SADS to ensure that the identified information is accurately printed on the face of the printed patent.

If there are any questions with regard to this submission, the Examiner is requested to contact the undersigned at the telephone number listed below.

Respectfully Submitted,
Sung Chul JUH et al.
